SECCOPROF

Professional dehumidifiers for large spaces

Cod. 02106   Cod. 02107

SUPER POWER

Seccoprof is able to absorb up to 40 litres of excess humidity per day, thus allowing the dehumidification of large spaces.

NON-STOP OPERATING

Continuous condensate drain for non-stop dehumidification, without needing to remove the tank.

WARM GAS DEFROSTING

Guarantees constant operation of the compressor, avoiding frequent activation and deactivation periods, and also allows operation at temperatures close to 0°C.

DIGITAL CONTROL

The control panel allows accurate settings and timely control of the air temperature and humidity.

FEATURES

Dehumidification capacity: 30l / 24h and 40l / 24h
For rooms up to 150/200 m³
Tank capacity: 8l
Noise level 52 dB
Temperature and humidity indicator
1-24h timer
Removable tank with water level visualisation
2 fan speed levels
Dry and Fan function
Automatic defrosting device
Wheels for transportation
Full tank alarm
2 filtering levels (pre-filter / activated carbon filter)
